

# Join our mission: *Volunteer Vets & Vet Techs Needed!*

Humane Animal Rescue of Pittsburgh is expanding our reach through our M.O.V.E.S. (Medical – Outreach – Veterinary – Essential – Support) mobile unit, bringing essential vet care directly to underserved communities. We're seeking compassionate veterinarians and vet techs to volunteer their skills and make a tangible difference in the lives of pets and their owners.

## Veterinarians:

### Humane Health Coalition

- Conduct animal exams (well and sick visits)
- Prescribe medications (no surgeries)

### Microchip Clinics:

Provide on-site veterinary services for community-based microchip clinics.

### Requirements:

- Must be licensed.
- Excellent client communication skills
- Ability to travel to locations throughout Pittsburgh.

## Details:

- Humane Health Coalition: Select Thursdays
- Microchip Clinics: Days and times vary.
- Shift Length: Five-hour shifts requested (shorter shifts can be arranged).

## Vet Techs:

### Humane Health Coalition

- Assist with paperwork and patient histories.
- Administer vaccinations and perform diagnostic testing.
- Provide general support.

### Requirements:

- Excellent client communication skills.
- Ability to travel to locations throughout Pittsburgh.
